

MODIFICATION DEFINITIONS-2021

Minor Modifications – includes small modifications to vehicle such as stereo, wheel and tires, tint, and accessories that are minor changes.

Major Modifications – includes paint, motor, suspension, interior or any modification that has altered the vehicle to be set apart from factory conditions. Example: hydraulics or airbag modification, motor swags and custom paint jobs, or anything custom that has significantly modified the vehicle.

Every three (3) minor modifications will be added up to equal one (1) major modification.

Original Class – Any vehicle in original or restored version of factory settings, not materially altered or modified by the removal, addition or substitution of essential parts except that such parts represent the original vehicle. Tires are the only exception to modification by brand only, not tire size.

Street Class – Three (3) major modifications or less qualifies the participant to enter their vehicle in this category.

Custom Class – Three (3) major modifications or more qualifies the participant to enter their vehicle in this category.

JUDGES RESERVE THE RIGHT TO MOVE VEHICLE INTO PROPER CATEGORY IF THEY FIND THAT THE VEHICLE IS IN THE WRONG CLASS.

VEHICLE JUDGING-2021

Judges will be judging all vehicles and motorcycles on a point scale that reaches a maximum of 140 points. We judge every area of the vehicle.

Very important reminder to participants that we do give points for displays. Displays can include many themes, family photos, pictures of build or anything that enhances the show of the vehicle.
